

SINCFS1

4.25" x 12.63" x 14.5" (H x W x D)

Portable single zone induction cooktop with Black Ceran™ smooth-top finish

Highlights:

Magnetically generated heat produces no open flame and keeps heat confined to cookware

Instantly heats to cook in half the time of standard gas and electric ranges

Genuine Ceran surface made of durable, low maintenance black glass

Product Features:

Ceran™ surface	Smooth surface made of durable and elegant black glass
Portable design	Freestanding unit can be used wherever extra cooking power is needed
Ten power levels	Get precise and instant control of heating temperature with adjustable touch controls
7-piece cookware set	Each purchase includes a complimentary set of induction cookware complete with glass lids
Energy efficient	Approximately 84% of the heat created goes directly towards heating cookware contents
Cool surface	Since heat is created inside the cookware, most is confined to the pot and its contents, keeping the surface fairly cool to touch
Automatic pan recognition	Interior coil turns off after 30 seconds if there is no induction cookware on top
Timer	Program to keep track of cooking time
Easy cleanup	With no baked-on messes, all you need is a damp cloth to wipe down the surface
